

English

- Tell the story from the mother's point of view. Where has she been? What has she seen? What has she done?
- Write a scary story to explain why the owlets were frightened e.g. a fox attempted to climb the tree.
- Write a character description (in the first person) about one of the owlets.
- Write a diary entry for one of the owlets or the mother owl.

Science

- Research the life cycle of an owl and then draw and label a diagram to explain it.
- Create a food chain to show the food that owls eat, what those animals eat and which predators eat owls.
- What does it mean to be nocturnal? What other animals are nocturnal?
- Using search engines, look for online documentaries of owls to learn all about them. Once you have found out lots of information about them you could design a leaflet that tells the reader about them.

Art/DT

- Create owls out of empty toilet rolls.
- Create your own owl/bird house.
- Find a great picture of an owl online and sketch it.
- Go on a nature walk and create some fantastic pieces of art using the materials you find. Check out Andy Goldsworthy for inspiration.

PHSE

- Write a letter to the owlets explaining what you are afraid of, or talk about them with parents/carers.
- What advice might the older owl give to the younger owl? What would you say to your brother, sister or friend if they were scared about something?
