Intellectual Property Attorneys

In Hull and the surrounding area

A full list of patent attorneys may be obtained from the **Chartered Institute of Patent Attorneys (CIPA)**. Similarly a full list of trade mark attorneys may be obtained from the **Institute of Trade Mark Attorneys (ITMA)**. Their websites also have directories which can be searched by area. The **Intellectual Property Regulation Board (IPReg)** website has the official register of both patent and trade mark attorneys.

Contact details for the two institutes and the Intellectual Property Regulation Board (IPReg) can be found on [page 6](#).

Patent attorneys may be consulted when compiling a patent application or when considering legal action over a patent or trade mark matter. They are trained in all aspects of intellectual property law and can therefore advise on matters concerning patents, trade marks, design and copyright.
