Hull School Library Service: an infinite bookshelf Saves you **time, money and space.**

Hull Schools Library Service (Hull SLS) has been working in partnership with schools to support young peoples' reading for pleasure for over 55 years. We're constantly updating our resources and offer to support new curriculum developments as well as helping schools make the most of their budgets.

From the **James Reckitt Hull Children's Book Award** to **Story Time sessions**, from reimagining **your school's library** to getting muddy in a field at **The Big Malarkey Children's Literature Festival** - membership of Hull SLS for 2019-2020 academic year provides a wealth of opportunities to encourage pupils to develop a love of reading.

Some of the services the Hull SLS provide are:

- an annual book loan service;
- access to hundreds of 'class read' titles to support the delivery of whole class guided reading;
- project book and resource boxes providing your students with access to artefacts and other physical objects to explore themes and topics;
- access to 'story sacks' to bring reading to life for younger readers;
- exclusive access to sought-after events such as the James Reckitt Hull Children's Book Awards and The Big Malarkey Festival;
- a library health check and spring clean!

In addition, subscription in 2019-2020 will also provide you with:

- access to staff training events;
- access to whole-class guided reading planning and resources for certain class read titles;
- assistance when planning units of writing using our titles;
- exclusive access to new and exciting events to enthuse your pupils about literature.

Please see the 'SLS Brochure' on our webpage for further details about the services provided by the SLS.

We would love to work with you to fire students' imaginations, develop children into budding researchers and fill your school's library with the latest books so that all young people can be excited by literature.

Subscription to the Hull SLS for a school from September 2019 - August 2020 varies according to the number of children on roll. Please see the 'SLS Subscription Costs' document on our webpage to calculate the price for your school to join us.

Should you wish to benefit from the expert services the Hull SLS provide, please contact hullschoollibrary@hcandl.co.uk or telephone us on 01482 614 852.

A love of reading has such a positive impact on young peoples' success throughout their lives; the SLS look forward to working with you to make a difference.

Kind Regards,

The Team at Hull SLS
