Vocal catalogue

This catalogue contains a complete list of vocal music sets available from Encore Music Services.

The catalogue is arranged alphabetically by composer. For items with no named composer or a variety of composers, the name of the arranger or editor common to the entire volume has been used.

Titles that have no named or common composer, arranger or editor are listed at the beginning of the catalogue.

An Orchestral Catalogue is also available on request.

Loan of sets

Sets may be borrowed by individuals and groups from anywhere in the UK mainland and may be collected in person or dispatched by courier (for which a charge is made).

Sets will be loaned for a period to suit the borrower, normally adjusted to reflect performance dates, up to a maximum of one year. A return date will be fixed prior to commencement of the loan.

Advance bookings are welcome.

Please contact Encore Music Services for details of current loan charges.
